PARA ENTRARLE

An artistic illustration of a robot and a woman in a graveyard. The robot, on the left, is a sleek, dark-colored humanoid with red glowing joints and a helmet-like head. The woman, on the right, has long dark hair and is wearing a dark, textured jacket. They are standing close together, looking at each other. In the background, there are several tombstones. One prominent tombstone on the left is inscribed with 'CHATBOT R.I.P.'. The ground is covered with pink flowers, and the background is filled with more tombstones and trees under a dramatic, cloudy sky with a bright light source. The overall color palette is dominated by dark blues, greys, and vibrant reds.

Goodbye Chatbot, Hello **AI-RBOT.**
