

A close-up, high-speed photograph of two donuts. The donut in the foreground is covered in a thick layer of powdered sugar and has a chocolate glaze drizzle. The donut behind it is also covered in powdered sugar. The background is a soft, out-of-focus pinkish-red, with several raspberries and small crumbs scattered around, suggesting a fresh, delicious treat.

# FOOD AND DRINKS

La tecnología en alimentos y bebidas está revolucionando la producción, distribución y consumo, impulsando innovaciones que promueven la eficiencia, sostenibilidad y experiencias para el consumidor.

# Kiss the AI Cook

La IA se convierte en un desarrollador de alimentos y sabores innovadores, estos son nutritivos, *wasteless* y asequibles.
